The schedule below reflects the Rotation and Sojourner Sunday school students’ class schedule.

*The Faith Play (birth-age 3/4 and parents) children will use simple Bible play songs, prayer, possibly a craft, followed by a parental support discussion using the HOPE readings/themes. (*not included in this schedule*)

*The Rotation Students (age 4 by Sept. 1 – grade 4) will, except during February, spend two Sundays on one topic (different activities) which are based on the HOPE themes for the year.

*The Sojourners (grades 5 and 6) will compare/contrast the Bible stories found in Egermeier’s Bible Story book with the same stories found in their Bibles. The students will look for the HOPE needed/sought/fulfilled in each story. Three stories per Sunday is the goal as reflected in this schedule, but it is subject to change. (*Story titles on the schedule are often abbreviated or paraphrased for space.*)
